Department Activity Report

Reporting Period: February 1, 2026 – Present
Prepared By: Freestone County OEM

Overview

During the reporting period beginning February 1, 2026, Freestone County experienced a notable increase in emergency incidents, particularly related to grass fires and a significant motor vehicle collision (MVC). These incidents required coordinated response efforts and resulted in measurable impacts on county resources.

Grass Fire Activity

Since February 1, 2026, Freestone County has responded to a total of **15 grass fires** across multiple locations within the county. Collectively, these fires affected an estimated **115 acres** of land.

These incidents underscore ongoing concerns related to dry conditions, vegetation fuel loads, and the continued need for fire mitigation, public awareness, and interagency coordination. Fire response operations required the deployment of fire suppression resources and personnel to protect property, infrastructure, and public safety.

Motor Vehicle Collision Involving Fire Department Equipment

During the same reporting period, an **MVC involving a Fire Department vehicle** occurred. The incident resulted in the **destruction of a trailer and a UTV**. No additional damage details are included in this report; however, the loss represents a significant impact to emergency response equipment and operational readiness.

This incident is under appropriate review to assess circumstances, damages, and any necessary corrective actions or replacement needs.

Summary

The incidents reported during this period highlight the operational demands currently placed on emergency services within Freestone County. Increased fire activity and equipment loss reinforce the
