Monday May 4th

- Attended eviction court for JP2 as bailiff. 2 Hours.

COMMISSIONERS COURT FREESTONE COUNTY TEXAS

- Performed a Writ of Possession for a property in the 500 block of Cypress Street in Teague, Texas. No property taken or law enforcement action taken outside of normal writ procedures.

Wednesday May 6th

- Was called to assist with the execution of a search warrant for an individual in the 200 Block of US84 West. The person barricaded themselves in a camper trailer on the property but were eventually convinced to surrender and were taken into custody.

Thursday May 7th

- Assisted Constable pct3 with the investigation of a Writ of Possession for a property on 200 Block of US 84 West. Plaintiff was contacted and advised to coordinate with Constable PCT3 to execute the repossession.
- Confirmed with FCDA that the Taser units purchased by PCT2 and PCT3 are lawful and appropriate to use in the course of our duties.
- Placed a Constable levy on several properties in PCT2 for a writ of execution. Defendants were contacted with a demand for payment. Was contacted by their attorney and advised they may be working on a deal.

Monday May 11th

- Assisted FCSO and LCSO with a felony warrant arrest assist on a subject in the 1300 block of US84 West. The subject was not located. May 11th.
- Assisted Teague PD on a follow up investigation for a shooting they had on Spruce Street. During the investigation, a stolen firearm was located and TPD arrested one subject with an active warrant out of Smith county. May 11th.

Tuesday May 12th

- Had a citizen come into the office wanting a "police escort" to collect her things from her mothers house. She stated that her mother had kicked her out and assaulted her before telling that she would shoot her if she came back. I requested a deputy come speak with her due to the seriousness of the accusation. She refused to press charges or provide much more info to the deputy. I then went with the Deputy Ovalle and Dollar to the house so that she could collect her belongings.
- Was asked to assist Teague PD with an inspection of a weapon they recovered since I am a Glock Certified Armorer. It appeared that the trigger had been modified in an unconventional manner. I provided my findings to Sgt. Weinmann.

Wednesday May 13th

- Was contacted by an Agent of the Waco ICE field office to assist with the transport of a violent convicted felon with a removal order. I unfortunately was unable to assist as I did not have a vehicle equipped for prisoner transports.

Thursday May 14th

- Received 2 truancy court summons for TISD for service, will attempt service but may have to do alternative service via certified mail if contact is not made. JP2 spoke with the school and the County Attorney and agreed to postpone the truancy until next school year since the petitions were filed too late in the year and both children have already began attending on time again.

Saturday May 16th

- Received a call from a citizen of Precinct 4 about a child custody matter. The mother had been arrested by FCSO and did not want the child to go to the particular family member that FCSO placed the child with. I advised her that without child custody paperwork clearly defining where the child must be, there was little that I could do for her and suggested that she report her concerns to CPS.
