- Was contacted by an individual who inherited property in Freestone County. She advised she believes there are squatters living on the property. Investigation shows property has no address but is located on FCR660, Parcel #56731. Will need to perform an investigation to see if there people living on the property and if they meet the Texas criteria for squatters.

Wednesday September 9th

- Attended eviction hearing for JP2 court. 2 Hours as bailiff.
- Investigated the property off FCR661 in regards to the squatter situation. I deployed the county drone above the roadway to get a view of the property boundaries and determined the camper trailer was several hundred feet into the owner's property. I made contact with the resident with Constable McAdams and explained the issue with him. He explained he had not known and that his family land was adjacent to the property. He believed he had moved the camper to another portion of his family's land. I collected his name and contact information and will provide it to the property owner so they can make contact and come to a possible resolution.

that it was not taken by this office and that questions on that particular case should be referred to the Sheriff's Department.

- Was contacted by an individual in regards to serving a private civil process. I advised them that I was unable to do so since it was not an official court issued document. I explained that they would need to hire a private process server or, if applicable, use certified mail to have the document delivered.

She believes they have left the property and left behind 2 dogs and 2 cats and asked what could be done next. I suggested that the property owner still pursue the proper eviction process to cover them legally and would allow the Constable's Office to be present during the writ of possession.
